

Evolution Gaming is an online gaming developer based in London, Malta, Italy, Tallinn and Riga. We are the world's leading Live Casino provider and have custom built our own licensed studios – enabling us to broadcast real-time 'virtual' casinos through our client's websites to the end-user. In 2012, for the third year running, Evolution Gaming has been named Live Casino Supplier of the Year in the EGR (eGaming Review) B2B Awards.

Evolution Latvia continues to grow and new gaming tables are opening. Join our fast growing company and apply for the jobs of
